Enjoy the little things in life ...

for one day you'll look back and realize

they were *the big things.*

Consider the *trees* and how easily they let go of the
season's bounty... How with simple *grace* and *elegance*
they share their natural **WARMTH** and *beauty*.

Leaf after Leaf, flower after flower,
some in the *dawn of day*, some in the *after hour*.
Alive they flourish, & the earth that sustained them,
receives them in *fall*.

Relatives & Friends

The best and most *beautiful*
things in the world
cannot be **seen** or even **touched**.

felt They must be
with the heart.

Relatives & Friends

A collection of your memories,
precious times enjoyed together;

Keepsakes of the *Heart* that

remain with us
FOREVER

*When tomorrow starts without me,
we're not so far apart.
For every time you think of me,
I'm right here
in your heart.*

Relatives & Friends

Those we *love* remain with us for love itself lives on,
and cherished **memories** never fade because a loved one's gone...
Those we *love* can never be more than a thought apart
For as long as there is **memory**,
they'll *live on* in the *heart*.

Relatives & Friends

GOODBYES

are not

forever.

Goodbyes are not

THE END.

They simply mean

I'll *miss* you...

Until we meet

AGAIN.

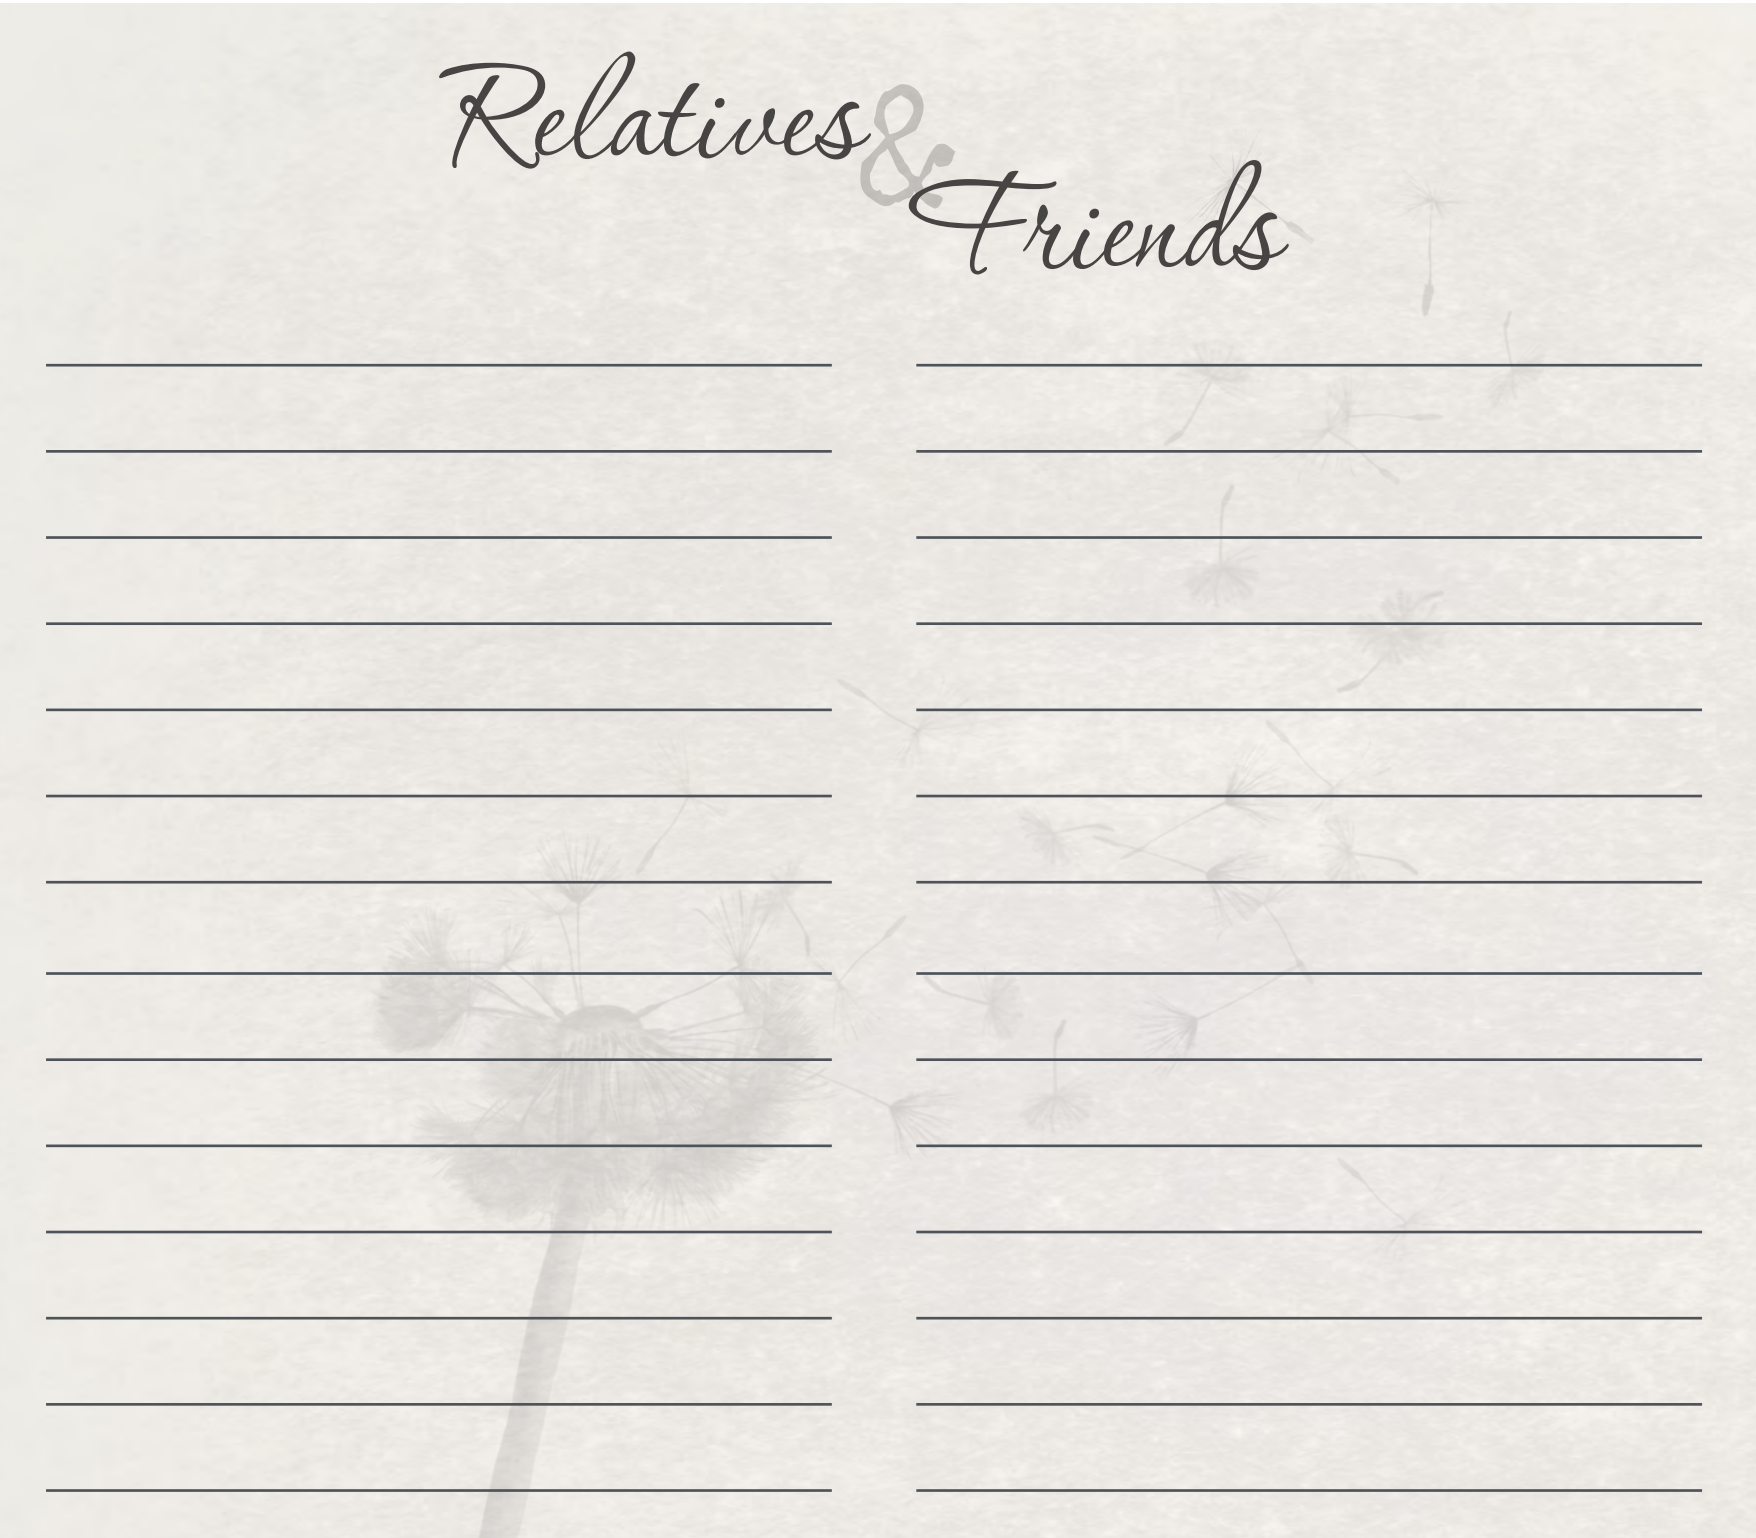

Relatives & Friends

Relatives & Friends

Perhaps they are not *stars* in the *sky* but
rather **OPENINGS** where our loved ones
shine down to let us know they are *happy*.
